App Name:
Violet – Interactive Children's Storybook

App Description:
In a small, peaceful neighborhood, a wonderfully curious and clever girl is about to get herself into a bit of mischief. Her name is Violet and she has a very secret "SECRET." When Violet ties on her black satin mask she becomes Phantom Girl, the world's most daring experimenter!

Read and interact as Violet investigates the outcome of Phantom Girl's latest experiment to turn forward the hands on the clock and take control of time.

Boys and girls alike will have a blast playing with and searching for the many exciting animated interactions contained within this amusing tale of a little girl with a BIG imagination.

After reading the story, head on over to our website to enjoy Violet coloring book pages and an interactive sketchpad for creating your own artwork.

While visiting our website, learn more about Violet, her family and that curious little dog that seems to be following her...
