

★★★★★ Review from iPadAppsHub –

"...the future looks very bright for My Black Dog Books. We whole-heartedly recommend Violet for children..."

★★★★★ The second book in the Violet Storybook Series

Who is this mysterious black dog that has been following Violet? In her second adventure, Violet returns as Phantom Girl, the world's most daring experimenter, to solve the mystery of the little black dog. Help Phantom Girl gather clues and find out what happens when she and the dog finally come face to face!

Read and interact as Violet investigates the mystery of the little black dog.

Boys and girls alike will have a blast playing with and searching for the many exciting animated interactions contained within this amusing tale of a little girl with a BIG imagination.

★★★★★ Review from The Unofficial Apple Weblog (AOL News) –

"I'm positive that small children will enjoy reading about Violet and her secret identity."

★★★★★ Review from CNET Reviews –

"Amazing title. Much as I love the classics, it's nice to see something modern and new. Great stuff!"

★★★★★ Review from The iPad Fan –

"Violet is a clear front-runner in terms of quality presentation and story. My kids are already asking for more Violet."
